

History and Tradition

The UAH was founded as a **General Study (*Studium Generale*)** by King Sancho IV in **1293**, and took definitive shape in 1499 under Cardinal Cisneros.

In 1998 UNESCO declared it one of the four universities in the world distinguished as a **World Heritage Site** for its impressive architectural inheritance.

World famous for its defense and promotion of Spanish-language literature through the **Cervantes Prize, which is awarded annually.**

It is also the site where King Juan Carlos I awards the **Prize for Human Rights.**

Data

16,000 Undergraduate Students

13,000 Graduate Students.

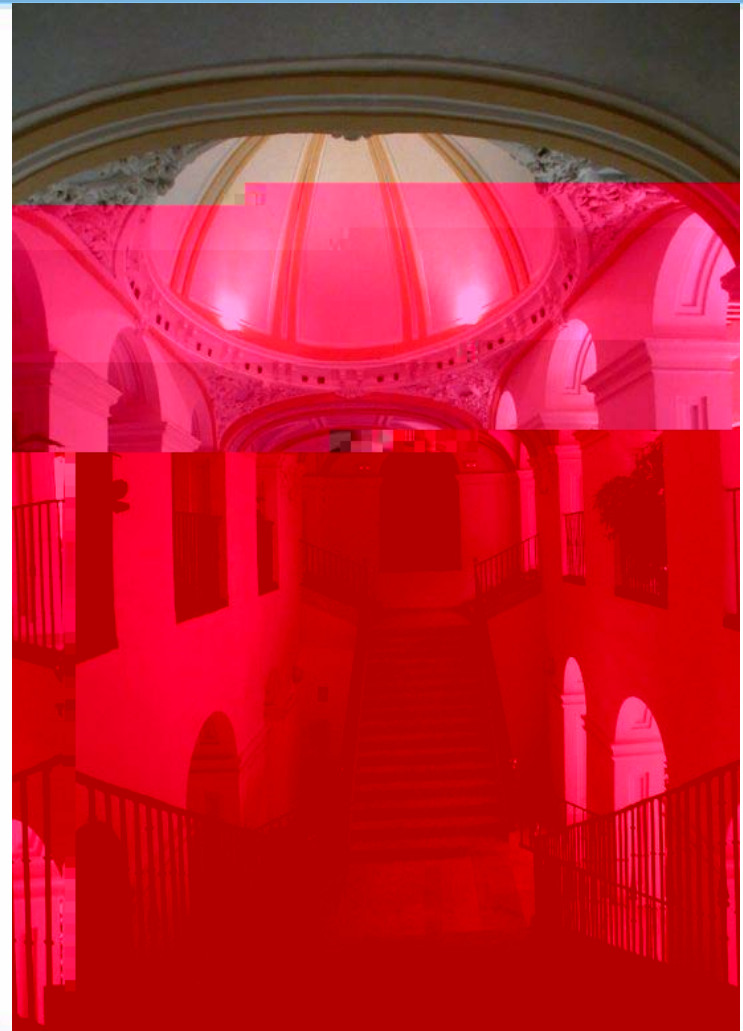

1,800 Teaching and Research Staff

800 Administrative Staff

36 Undergraduate Degrees

We promote internationalisation because... (1/7)

Attracting international Students, Professors and Researchers

Allows us to choose the best students and professors

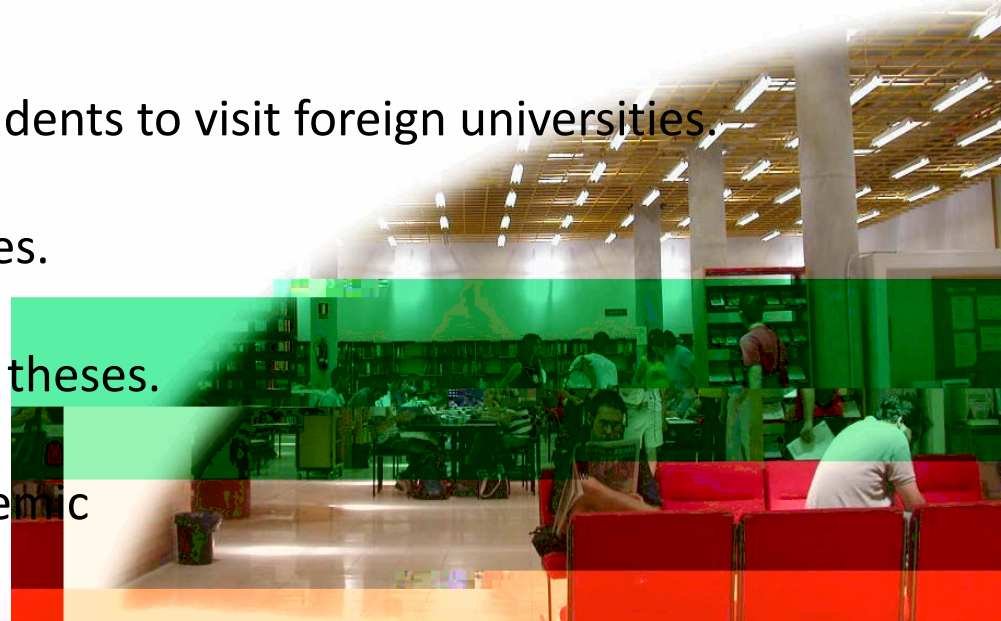

It enriches our classrooms with students and professors who have diverse backgrounds and experiences.

It opens new opportunities for our students to visit foreign universities.

It allows us to increase tuition revenues.

It increases the production of doctoral theses.

It generates competitiveness and academic excellence in teaching and research.

We promote internationalisation because... (2/7)

Mobility for UAH Professors, Researchers and Students

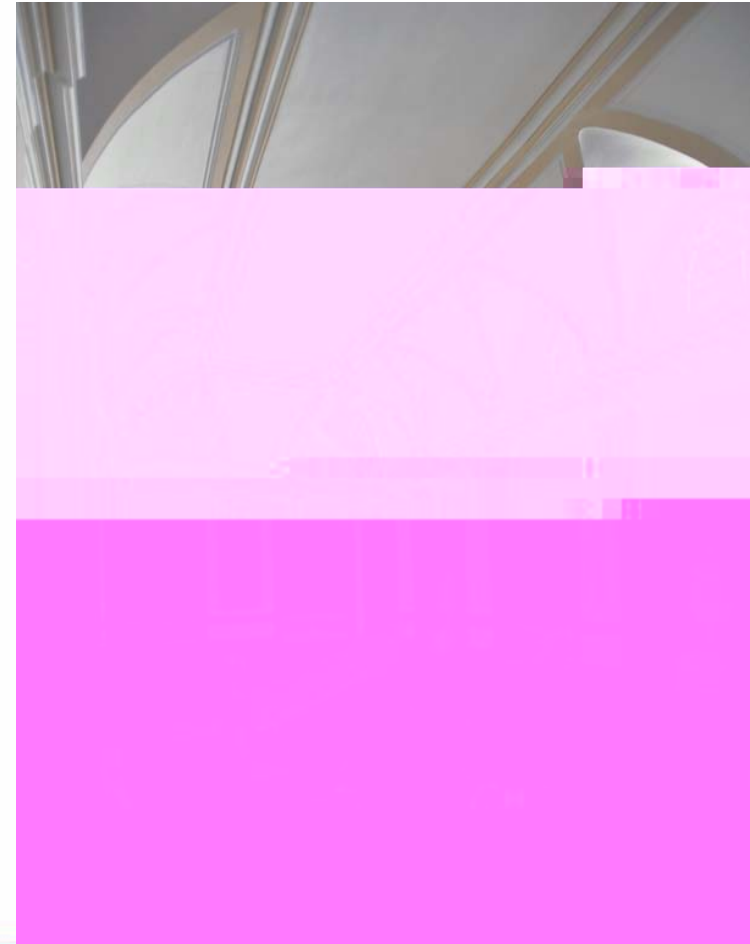

It promotes the personal and professional development of the participants in international programmes.

It facilitates the learning of other languages and cultures.

It increases productivity and entrepreneurial spirit.

It improves the employability of our students.

It increases the attractiveness and adds value to our degree programmes.

How to Apply for Admission at UAH

- **To Pursue Undergraduate Studies**
 - University Entry Exam
 - Direct Admission
 - Validation of a Foreign University Diploma
 - Recognition of Previous Studies
- **To Pursue Academic Stays**
 - As a Visiting Student
 - As an Exchange Student
- **To Pursue Postgraduate Studies**
 - Recognition of International Undergraduate Degrees
- **Spanish Language**
 - No previous requisites.
 - Placement examinations.

How to Apply for Admission at UAH

To Pursue Undergraduate Studies (1/4)

University Entry Exam

Students must pass the University Entry Exams (or) with the minimum grade required for the Programme to which they seek admission.

http://portal.uned.es/portal/page?_pageid=93%2c674429&_dad=portal&_schema=PORTAL

How to Apply for Admission at UAH

To Pursue Undergraduate Studies (2/4)

Direct Admission

Students who have successfully completed their Secondary Education in a country with which Spain has an agreement to that effect, may apply for access following validation of their diplomas and grades.

For further information consult:

http://portal.uned.es/portal/page?_pageid=93%2c932663&_dad=portal&_schema=PORTAL

How to Apply for Admission at UAH

To Pursue Undergraduate Studies (3/4)

Validation of a Foreign University Diploma

Students who have obtained a degree from a foreign university may request the validation of that diploma. Following its recognition, they may apply directly for admission

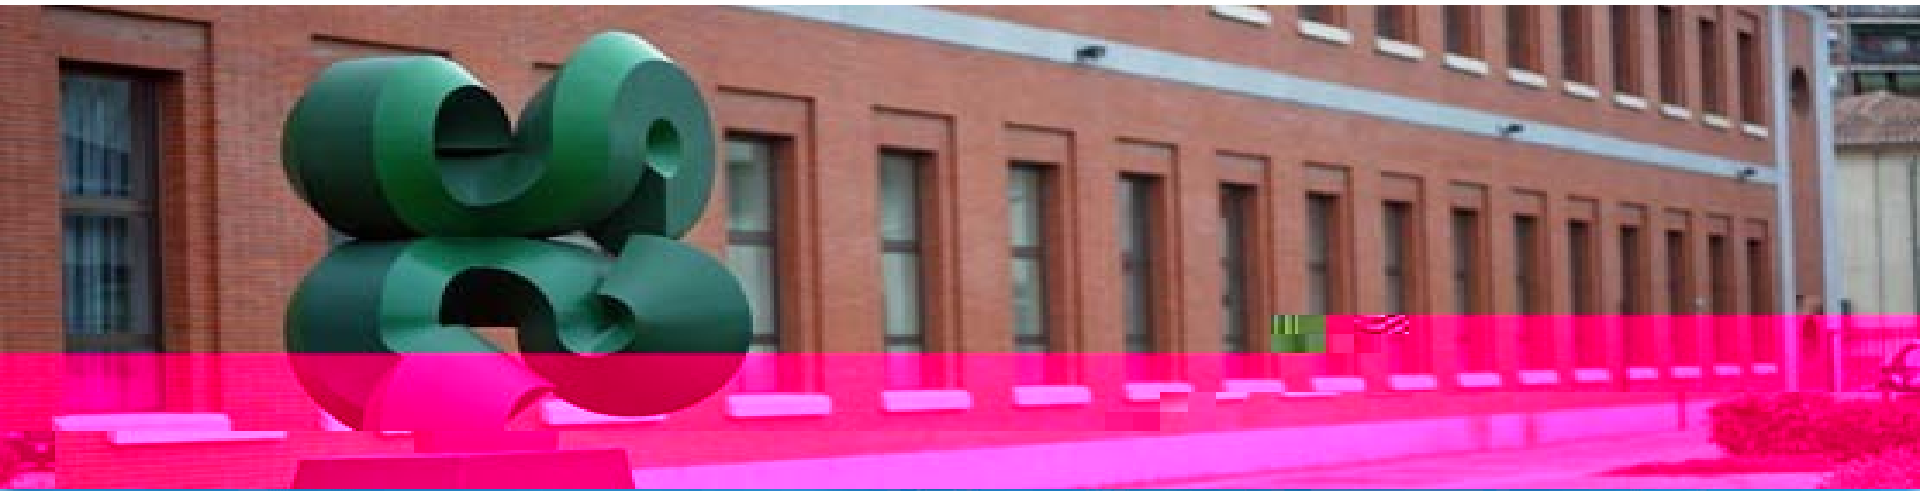

How to Apply for Admission at UAH

To Pursue Undergraduate Studies (4/4)

Recognition of Previous Studies

Students who have initiated studies in a foreign university may be admitted to the University of Alcalá if they have successfully taken at least 30 ECTS credits that can be validated in the degree program to which they seek admission.

Universidad
de Alcalá

How to Apply for Admission at UAH

To Pursue Academic Stays (1/2)

As a Visiting Student

Students who are regularly enrolled at another university and have successfully taken at least 30 credits in their university of origin may apply for admission to UAH as a visiting student for a stay of up to one year.

How to Apply for Admission at UAH

To Pursue Academic Stays (2/2)

As an Exchange Student

Regular students enrolled at universities with which UAH has an official student exchange agreement, may pursue an academic stay at the University of Alcalá if they are selected by the university of origin to participate in the exchange programme with UAH.

The requirements which applicants must meet, as well as the length of the stay and other aspects of the exchange are specified in each individual student exchange agreement.

When the agreement contemplates the possibility, exchange students may pursue a Double Degree agreement.

How to Apply for Admission at UAH

As a Postgraduate Student

To apply for admission to a Master Programme students must have an undergraduate degree from Spain or other countries which permits access to postgraduate studies in the country in which the aforementioned degree was issued.
